

Moodle DESIGN

5 tips

With just Copy-Paste

Nice Lists

You can create nice lists

To articulate instructions

To remind important points

To list resources

To define priorities

I want to do it

Impactful Headers

Super Headers

Create nice Headers with just a copy and paste!

Advertise your course message from the top of your page.

 Give a like to the video

I want to do it

Great buttons for links

CREATE NICE BUTTONS

3 simple steps

Link nicely to previous resources !

I want to do it

Use embed icons

		
<p>What's the problem</p> <p>Identify the points where you could improve the course design.</p>	<p>Now you try it yourself</p> <p>Go and get a few code snippets from bootstrap and try them on your Moodle.</p>	<p>Go a step beyond</p> <p>Watch how you can also add "calls to actions" and play with colors and icons.</p>
 File	 Submit	 Learn

I want to do it

The thumbnail features a woman in a pink shirt pointing upwards. Overlaid on the image is a large green speech bubble with the text "In Seconds" and a clock icon. A red play button is centered over the image. The background includes the Moodle logo and the text "WONDERFUL PAGES" and "ICONS".

Dévoilez en accordéon

Copy the Code
Go to getbootstrap.com
Version 4.x
Docs > Components > Collapse > Accordion
Paste it in moodle
Enjoy!

Copy the Code
Paste it in moodle
Enjoy!
Play with the collapse
Make drawer stay open
Accessibility reminder

I want to do it

Comprendre les couleurs

A simple primary alert—check it out!

A simple secondary alert—check it out!

A simple success alert—check it out!

A simple danger alert—check it out!

A simple warning alert—check it out!

A simple info alert—check it out!

I want to do it

Tip

Download a PDF on LinkedIn

Pass the
mouse
over

Click full
screen

Click
Download

Great, now the links are clickable !

Moodle Instructors

Download a ready made Moodle page with
Desing examples and tutorials included

MoodleDesignEn

Download a sample course page for training on Moodle Design using Bootstrap and FontAwesome components.

- Headers (jumbotron): sample and vidéo
- Lists: sample and vidéo
- Button: sample and (primary, outline et danger)

Ey ! I just finished my lesson plan

Cool!
Show me...

A real masterpiece !

8h00 notion 1
8h15 notion 2
8h30 notion 3
8h45 notion 4
9h00 notion 5
9h15 notion 6
9h30 notion 7

All structured... and complete !

But... Students will never digest all this...

Try something more motivating

Tell them what they will do...

Awesome

Talking about them...

Empathy

Activities

Variety...

8h00 listen
8h15 listen
8h30 listen
8h45 take notes
9h00 take notes
9h15 take notes
9h30 take notes

Et voilà !! I love active pedagogy !
